Basic Information

1. Why did I receive this notice?

You have been mailed this notice because government records show that you offered one or more Qualified Health Plans (“QHPs”) under the Patient Protection and Affordable Care Act (“Affordable Care Act”) in the 2017 and/or 2018 benefit years, and that you made cost-sharing reductions to eligible insureds for which you have not received reimbursement from the federal government.

The purpose of this notice is to inform you of a class action lawsuit regarding unpaid cost-sharing reduction amounts for those two benefit years, to advise you of how your rights may be affected by this lawsuit, and to inform you how you can join or “opt in” to the lawsuit if you choose to do so. The class action lawsuit is called *Common Ground Healthcare Cooperative v. United States*, Case No. 17-877 C. This lawsuit is pending in the United States Court of Federal Claims.

2. What is this lawsuit about?

Plaintiff Common Ground Healthcare Cooperative claims that Defendant United States has not made cost-sharing reduction payments on a timely and periodic basis for the 2017 or 2018 benefit years to which it and other QHP issuers such as your organization are entitled under the Affordable Care Act. Section 1402 of the Affordable Care Act established a cost-sharing reduction program that applied to insurers who offered QHPs on the Affordable Care Act’s insurance exchanges. The cost-sharing reduction program provides that QHP issuers must pay a portion of eligible insureds’ out-of-pocket costs, such as deductibles, co-pays, and similar expenses, thereby reducing the amount eligible insureds must pay. Section 1402 further states that the Secretaries of the Department of Health and Human Services (“HHS”) and the Treasury “shall make periodic and timely payments to the [QHP] issuer equal to the value of the reductions.” Beginning in 2014, the United States began making these cost-sharing reduction payments, but then ceased paying them in 2017 and continues to not pay them.

In November 2017, Plaintiff Common Ground Healthcare Cooperative amended a previously filed class action lawsuit in the United States Court of Federal Claims to add a claim alleging that the Government violated Section 1402 of the Affordable Care Act and its implementing regulations by failing to make “periodic and timely” cost-sharing reduction payments. Plaintiff claims that the Class is entitled to relief under the Tucker Act, a federal statute that provides the United States Court of Federal Claims with jurisdiction to award money judgments against the federal government where a statute is money-mandating and requires payment. The case was assigned to Judge Margaret M. Sweeney. On April 17, 2018, the Court entered an order granting class certification and appointing Quinn Emanuel Urquhart & Sullivan, LLP as lead counsel for the Class.

More detailed information about this lawsuit is contained in the Class Action Complaint filed in this lawsuit. The Class Action Complaint is available at the following website: www.CSRClassAction.com.

3. What is required in this lawsuit?

Common Ground Healthcare Cooperative, the Plaintiff that filed this class action, seeks the following on behalf of itself and the Class:

- Payment from the United States of the full amount of unpaid cost-sharing reduction payments for the 2017 and 2018 plan years pursuant to section 1402 of the Affordable Care Act and its implementing regulations;
- Payment to the lawyers who represent Common Ground Healthcare Cooperative who filed this lawsuit, as well as their expenses and fees associated with bringing and prosecuting this lawsuit—such payment would be drawn from any judgment, settlement, or other recovery obtained by Common Ground Healthcare Cooperative and the Class; and
- The award of any other relief that the Court deems just and proper.

4. What is a class action and who is involved?

In a class action lawsuit, one or more people or entities called “Class Representatives” (in this case Common Ground Healthcare Cooperative) sue on behalf of other people or entities who have similar claims. These people or entities together are a “Class” or “Class members.” The people or entities who sued—and all the Class Members who join the lawsuit—are called “Plaintiffs.” The party or entity against whom the lawsuit is brought is called a “Defendant.” Here, the United States is the Defendant, because it is the party ultimately responsible for paying cost-sharing reduction amounts owed under the Affordable Care Act. The Court of Federal Claims will resolve all legal and factual issues for every eligible Class Member who timely submits a Class Action Opt-In Notice Form. Those individuals who do not timely submit a Class Action Opt-In Notice Form will be excluded from the Class in this case.

More information about why the Court has allowed this lawsuit to be a class action is located in the Court’s Order certifying the Class, available at the following website: www.CSRClassAction.com.

Who May Participate In The Class Action

5. Am I part of this lawsuit?

You will need to decide whether you wish to join this lawsuit as a Class Member. You are not part of the Class unless and until you fill out the Class Action Opt-In Notice Form located at the end of this Notice or at the following website: www.CSRClassAction.com. Rule 23 of the Rules of the United States Court of Federal Claims requires that Class Members wishing to participate in this class action must join or “opt in” to this class action lawsuit. If you fit the description in the next question, you may opt in and join this lawsuit.

Please Note: This “opt in” procedure is different than many other class action lawsuits in the United States because, if do you do nothing, you will not be able to participate in the lawsuit as a Class Member.

6. Who is included in the Class?

Under the Rules of the United States Court of Federal Claims, the Court has allowed the lawsuit to be a class action on behalf of the following class of people or entities:

All persons or entities offering Qualified Health Plans under the Patient Protection and Affordable Care Act in the 2017 or 2018 benefit year, and who made cost-sharing reductions for eligible insureds pursuant to Section 1402 of the Patient Protection and Affordable Care Act, but did not receive a “timely and periodic” payment from the Government of an amount “equal to the value of the reductions” provided to its insureds. Excluded from the Class are the Defendant and its members, agencies, divisions, departments, and employees.

7. How can I join the Class?

Enclosed you will find a document titled “Class Action Opt-In Notice Form.” If you choose to participate in this lawsuit, and potentially participate in any recovery that may result from this lawsuit, **it is extremely important** that you read, sign, and return the Class Action Opt-In Notice Form electronically via the website Class Counsel has established for this litigation, or by mail, courier, or facsimile to JND Class Action Administration (via the below addresses or facsimile number). The various locations and methods by which you may submit a Class Action Opt-In Notice Form are listed below:

The Class Action Opt-In Notice Form **must be** submitted, faxed, postmarked, or delivered on or before 60 days after the date of this notice, that is, **on or before Monday, August 13, 2018.**

If you do not wish to participate in the lawsuit, you need not take any action.

8. What happens once I join the Class?

If you are eligible to be a Class Member and choose to join the Class, you will receive any monetary or other benefits obtained from the lawsuit. A judgment in this case will be binding on you, meaning you could not pursue your own separate lawsuit using your own attorney. Similarly, you may be bound by, and can share in, any settlement reached on behalf of the Class. In the event Class Counsel and the United States reach a settlement, you will receive notice of the settlement and you may object to the settlement and be heard by the Court on your objection. In the case of any settlement reached before entry of judgment, Class Counsel may seek to decertify the litigation class and recertify a settlement class, which would allow any Class Members that previously opted in to decide whether to join the settlement class at that time.

Any person or entity who submits a Class Action Opt-In Notice Form to join the Class need not appear in Court in order to participate. If you become a Class Member, your interests will be represented by the Class Representative

and Class Counsel. Ultimately, the Court will rule on whether you are entitled to compensation and, if so, the amount of compensation owed to you.

In order to join the Class, ***you must*** submit a Class Action Opt-In Notice Form by **Monday, August 13, 2018**. This means your Class Action Opt-In Notice Form must either be submitted electronically at www.CSRClassAction.com/optin, received by facsimile, postmarked, or hand-delivered by **Monday, August 13, 2018**.

9. Will joining the Class cost me any money?

You will not have to pay any money out-of-pocket to participate in the Class Action. If the Class is successful in this litigation, however, Class Counsel will ask the Court's permission to be compensated for litigating this case and representing the successful Class. Any sums received by Class Counsel in compensation will be deducted from any recovery, which will proportionately reduce the amount of any award each Class Member receives. If the case is unsuccessful, you will have no obligation for attorneys' fees or costs.

Class Counsel represents that it will request no more than **5%** of any judgment or settlement obtained for the Class. The fee may be substantially less than 5% depending upon the level of class participation represented by the final membership of the Class. In any event, the exact percentage of Class Counsel's fees will be determined by the Court subject to, among other things, the amount at issue in the case and what is called a "lodestar cross-check" (*i.e.* a limitation on class counsel fees based on the number of hours actually worked on the case). *See, e.g., Geneva Rock Products, Inc. v. United States*, 119 Fed. Cl. 581, 595-96 (2015); *Loving v. Sec'y of Health and Human Servs.*, 2016 WL 4098722, at *4 (Fed. Cl. Spec. Mstr. July 7, 2016).

10. What happens if I do not join the Class?

If you do not submit a Class Action Opt-In Notice Form electronically, postmarked, faxed, or hand-delivered **on or before Monday, August 13, 2018**, you **cannot participate as a Class Member** in this case. As a result, you will not receive any money or benefits from the Court for this lawsuit. However, you keep the right to hire your own lawyer to sue the United States separately about the same legal claims in this lawsuit and you will not be legally bound by any decision of the Court in this class action.

The Lawyers Representing You

11. Do I have a lawyer in this case to represent me?

The Court has decided that attorneys at the law firm of Quinn Emanuel Urquhart & Sullivan, LLP, led by partners Stephen Swedlow, J.D. Horton, and Adam Wolfson, are qualified to represent you and all Class Members. Quinn Emanuel Urquhart & Sullivan, LLP is called "Class Counsel." Class Counsel has experience handling this type of lawsuit. More information about Class Counsel is available at www.quinnemanuel.com.

12. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel will work on your behalf and represent your interests if you join the Class. You have the right to have your own lawyer. Your own lawyer can appear in court for you if you want someone other than Class Counsel to speak on your behalf. If you choose to hire your own lawyer, you will have to pay that lawyer.

Litigation Information

13. How and when will the court decide this case?

If the case is not resolved by a settlement, summary judgment, or otherwise, Class Counsel will have to prove the claims of Plaintiff and the Class at trial. The parties are currently in the pleadings phase. At this juncture, Plaintiff has filed a complaint detailing the Class's claims and the Government will be given an opportunity to either respond or move to dismiss those claims. At a trial, the judge would hear all of the evidence to reach a decision about whether Plaintiff or Defendant is right about the claims in this case.

14. Do I need to go to the trial?

You do not need to attend the trial. Class Counsel will present the case on behalf of all Class members. You and/or your own lawyer are welcome, and entitled, to attend the trial at your own expense.

15. Will I get any money after the trial?

If the Class is successful and obtains money as a result of the trial or a settlement, you will be notified about how to participate and receive your share. The parties at this time do not know how long this will take.
